Organiser's Statement of Attendance

Making Pharmaceuticals 25 – 26 April 2017

The attendee numbers at Making Pharmaceuticals grew by 45% this year, indicating that the event's conference content and exhibitor profile are even more popular with the industry professionals. The conference is a key feature of Making Pharmaceuticals, and it will be developed for 2018 with the assistance and input of our expert supporting organisations and institutions. The programme of content is balanced with the exhibition by dedicated exhibition-only time.

Making Pharmaceuticals will be back at The RICOH Arena, Coventry on 24–25 April 2018
